Hvert år udgiver den europæiske post sammenslutning PostEurop frimærker med et fælles tema. I 2023 er der ikke bare et fælles tema, men også et fælles frimærke med særligt fokus på fred. I PostNord har vi valgt at sætte det europæiske sammen med det danske frimærke fra 1970, der fejrede 25året for Anden Verdenskrigs afslutning.

At sætte lys i vinduet for fred og frihed, har været en tradition siden 4. maj 1945.
