Personalități	Personalities	Personalități	Personalities	Personalități	Personalities
<p>„Orice lucru, fiindă sau nefiindă are un suflet. Eu nu dau nicodată prima lovitură până nu mi spune piatra ce trebuie să fac.” Constantin Brâncuși</p>	<p>“Every thing, being or non-being has a soul. I never give the first hit until the stone tells me what to do.” Constantin Brâncuși</p>	<p>„Muncind asupra pietrei, descoperi Spiritul - ascuns în materie... Căci mâinile sculptorului gândesc întotdeauna și urmăresc gândurile materiei lui.” Constantin Brâncuși</p>	<p>“Working on the stone, you discover the spirit - hidden in matter... For the sculptor's hands always think and follow the thoughts of the material.” Constantin Brâncuși</p>	<p>„Trei pietre de hotar măsoară în Europa istoria sculpturii: Phidias, Michelangelo, Brâncuși.” Sir Herbert Read</p>	<p>“Three milestones in Europe measure the history of sculpture: Phidias, Michelangelo, Brâncuși.” Sir Herbert Read</p>
<p>„Muzica oglindește toate misterioasele undăluți ale sufletului, fără purtina de preclătorie.” George Enescu</p>	<p>“Music mirrors all mysterious ripples of the soul, without the possibility of dissimulation.” George Enescu</p>	<p>„Perfecțiunea, care este pasiunea altor oameni, nu mă interesează. Ce contează în artă e să vibrezi tu însuși și să îl faci și pe alții să vibreze.” George Enescu</p>	<p>“Perfection, which is the passion of so many people, does not interest me. What matters in art is to vibrate yourself and make others vibrate.” George Enescu</p>	<p>„Cel mai mare fenomen muzical de la Mozart încoace... unul dintre cele mai mari genii ale muzicii moderne.” Pablo Casals</p>	<p>“The greatest musical phenomenon since Mozart... one of the greatest geniuses of modern music.” Pablo Casals</p>
<p>„Acest Coandă face ceea ce aș fi vrut eu însumi să fac pentru omenire... Băiatul ăsta s-a născut cu 30 de ani decât eu, cu 50 de ani mai devreme.” Gustave Eiffel</p>	<p>“This Coandă is doing what I would have liked to do for mankind... This boy was born 30 years, if not 50 years earlier.” Gustave Eiffel</p>	<p>„Viitorul este suma pașilor pe care îi faci, inclusiv a celor mici, ignorați sau luși în râs.” Henri Coandă</p>	<p>“The future is the sum of the steps you take, including the little ones, ignored or ridiculed.” Henri Coandă</p>	<p>„Mulți indivizi din societatea modernă sunt ca barcații, trag la vâsle dar stau cu spatele la viitor.” Henri Coandă</p>	<p>“Many individuals in modern society are like boatmen, they row, but they turn their backs on the future.” Henri Coandă</p>
