

Namibia (1990-)

A territory in southwestern Africa. South-West Africa was a German colony until 1915, when it was occupied by the Union of South Africa. It was administered by South Africa, originally under a mandate from the League of Nations, until 1985. After years of attempting to absorb the territory, provoking intense internal and international opposition, South Africa permitted the establishment of a multi-racial regime in that year. In 1989 free elections resulted in a landslide for the South-West Africa People's Organization, the primary black opposition party, and in 1990 South-West Africa became the independent Republic of Namibia.
