

Togo

(1960-)

A republic in West Africa, bordering on the Gulf of Guinea. Togo was a German protectorate until 1914, when it was occupied by Anglo-French forces. After World War I, the territory was divided between Britain and France, under League of Nations mandate. The British portion subsequently became part of Ghana, while the French zone became the present republic (1958). Togo became fully independent in 1960.
