

Egypt

(1866-)

In 1882, Britain occupied Egypt, although a nominal Turkish suzerainty remained until 1914. Egypt was a British protectorate until 1922, after which time it was virtually independent. British troops remained until 1951, when Egypt became completely independent. The corruption and extravagance of the monarchy brought the overthrow of King Farouk in 1952 and the establishment of a republic in 1953. The United Arab Republic joined Egypt and Syria 1958-61, but attempts to maintain the union or to include Iraq and Yemen during this period failed
