

Liberia

(1860-)

A republic on the west coast of Africa, Liberia was colonized after 1822 by freed slaves from the United States. In 1847, Liberia was proclaimed independent. In 1980, a military coup led by Sgt. Samuel Doe overthrew the establishment government. In 1990, he was captured and executed. A chaotic civil war lasted until 1996, claiming more than 150,000 lives.
