

Yemen (1926-)

An ancient state in southwest Arabia. Under Turkish suzerainty until 1918, Yemen became independent after Turkey's defeat in World War I. During 1958-61, Yemen was loosely affiliated with Egypt in the United Arab States. In 1962, a military coup ousted the imam, and a pro-Egyptian republic was established. In April 1970, an agreement between the Yemen Arab Republic and Saudi Arabia introduced royalists into the Y.A.R. government, ending the existence of the Mutawakelite Kingdom. In 1990 the Yemen Arab Republic and the People's Democratic Republic of Yemen united to form the Republic of Yemen.
