

Ajman

(1964 - 1972)

Trucial States in eastern Arabia. A sheikdom under British protection from 1892-1971, Ajman joined the independent United Arab Emirates on Dec. 2, 1971. During 1964-71, Ajman issued 6,000-7,000 different stamps, all designed with worldwide collectors in mind. UAE issues replaced those of Ajman in 1972. Subsequent Ajman issues came on to the philatelic market after 1972, but these were not recognized as valid by the government.
