

Ceylon

(1857-1972)

Island in the Indian Ocean, off the southeast coast of India. Much of the island was ruled by Portugal during the 16th and 17th centuries, and later by the Dutch. From 1795, the British ruled Ceylon. In 1948, it became a self-governing dominion, and in 1972, it became independent as the Republic of Sri Lanka.
