

# China

(1878-1950)

During 1840-1900, China was defeated in a series of wars, which secured for the European powers numerous concessions within the Chinese empire. In 1892, Dr. Sun Yat-sen founded the Regenerate China Society, which began to foment revolution. By 1949, the Nationalists had been defeated and driven to the island of Formosa (Taiwan).
