

Mongolia

(1924-)

A republic in central Asia between China and Siberia. By 1689 the region came under Chinese control. In 1911, Mongolia declared its independence but, in 1921, was occupied by Soviet troops. In 1924, a pro-Soviet republic was established, and in 1945, after China renounced all claims in the country, the Mongolian People's Republic was established.
