

Vietnam

(1945-1954, 1976-)

Country in Southeast Asia, occupying the eastern half of the Indo-Chinese Peninsula. Vietnam comprises Annam, Tonkin and Cochin China. During World War II, Vietnam was occupied by the Japanese, who supported the regime of the Emperor Bao Dai of Annam. During 1946-54, France fought the Vietminh, hoping to preserve their Indo-Chinese Empire. The defeat of France by the Vietminh forces, which had come under communist control, brought the partition of the country in 1954. The northern half became the Communist Democratic Republic of Vietnam, and in the following year, the southern portion became the Republic of Vietnam.
