

Aland (Finland)

(1984 -)

Island group in the Gulf of Bothnia between Finland and Sweden. On Feb. 5, 1982, the Finnish government gave the self-governing territory of Aland the right to propose stamps and denominations to Finnish postal authorities. The first Aland issues appeared on March 1, 1984. Although Finnish stamps remain valid for use on the islands, and mixed Finnish and Aland frankings do occur there, Aland stamps may not be used in Finland.
