

Liechtenstein

(1912-)

A principality in central Europe between Switzerland and Austria. Liechtenstein, founded in 1719, became a sovereign state in 1806, and independent in 1866. Until 1918, it retained close ties with Austria, which until 1920 operated the Liechtenstein postal service. Since 1920, it has been associated with Switzerland, post office having been under Swiss administration since 1921.
