

# Albania (1913- )

A republic in southeast Europe, bordering on the Adriatic Sea. Under Turkish rule from 1478-1912, Albania became independent after the first Balkan War. An Albanian state was established in 1920, existing first as a republic and, after 1928, as a monarchy. In 1946, a communist people's republic was proclaimed. Since 1991, Albania has instituted a democratic republican government.
