

Romania

(1862-)

A republic in southeastern Europe, bordering on the Danube River and the Black Sea. Romania was formed from the union of the principalities of Wallachia and Moldavia in 1861, under Ottoman suzerainty. In 1878, as a result of the Russo-Turkish war, Romania became independent. In 1944, the regime was overthrown by King Michael, with Soviet support Michael to abdicate and establishing the people's republic on Dec. 30, 1947. Nicolae Ceausescu, whose repressive and finally provoked a popular uprising in December 1989. Ceausescu and his wife were tried and executed. In May 1990, the provisional government was replaced by elected representatives.
