History of Royalty

The book cover has a warm, orange-toned background with a silhouette of a castle. At the top center is the Romanian coat of arms. Below it, the title 'Istorie trăită' is written in a large, elegant script, with 'Regele Mihai I' in a smaller, sans-serif font underneath. On the right side, there is a rectangular inset photograph of King Michael I and Queen Anne. To the left of this photo are three postage stamps: a 5 Lei stamp with a young boy, a 25 Lei stamp with a man's profile, and a 14.50 Lei stamp with a man's profile. The text 'ROMÂNIA' is at the top of the photo inset, and 'Istoria regalității - Mihai I' is written vertically on the left side of the photo. The year '2014' is at the bottom right of the photo inset. At the bottom right of the cover, the English title 'Witnessing History' is written in a script font, with 'King Michael I' in a sans-serif font below it.
