

Moldova

(1992-)

Historically the eastern half of the Grand Duchy of Moldavia annexed by Russia in 1812. In 1918, it was reoccupied by what had become Romania. It was occupied by the Soviet Union in 1939, and in 1940 was organized as the Moldavian Soviet Socialist Republic. Moldova was again rejoined to Romania 1941-44, but in 1944 passed back to the Soviets. With the breakup of the Soviet Union, Moldova declared its independence on August 27, 1991.
